Jean Bastiere's (Marc-André Grondin) life is turned upside down when his outlaw brother, Martin (Denis Ménochet), crash lands into his world.

Set against the backdrop of Jean's crime scene cleaning business, the brothers must confront dark sins of the past and very real dangers in the present. Ensnared by mob boss Nelson Clay (Brendan Coyle), corruption, drugs and death pose a constant hazard. With Jean's wife Julie (Miranda Raison), the entire family struggles to gain control over their lives and future.

Dark, funny, sexy and dangerous – SPOTLESS is the stuff of life and death.
